

Basic Course in Butterfly Studies 2019-2020

Conducted by BNHS Conservation Education Centre (CEC), Mumbai

BNHS CEC is happy to announce the admissions for **Basic Course in Butterfly Studies** (Butterfly Course) for the year 2019-2020. The course includes inaugural and wrap-up sessions, field visits around Mumbai and field camps to various butterfly habitats across India.

Highlights of the course:

- An online hybrid course.
- Duration is 6 months (August 2019 to January 2020).
- Covers topics such as life cycle, identification, behaviour, diversity and butterfly gardening.
- Project work.
- Two field camps, four field visits and two indoor sessions.
- Certificate from BNHS after successful completion.
- Course leader: Dr. Raju Kasambe, Assistant Director - Education, CEC, Mumbai

Who can enrol?

- Anyone interested in butterflies and their conservation.
- Basic qualification is Class 10 (any board).

Course fee:

The course fee is **Rs. 8,000/-** which includes BNHS expertise, study material and refreshments in the inaugural and wrap-up sessions. The field camps at other locations will be charged separately.
